Statistics is a diverse profession,
with statisticians working in areas
such as health care,
manufacturing, defense, and
national security, to name just a
few.Each area may make use of
different methodologies and
applications. To aid our members
working in these subdisciplines,
the ASA created sections and
interest groups, which are
subject-area and/or
industry-related and provide
benefits ... Fri, 16 Mar 2018
