Woodworking Tips - The Great
Books At the heart of the Thomas
Aquinas College curriculum are
the great books, the original
works of the greatest minds in our
tradition, both ancient and
modern. The College's
syllabus is composed exclusively
of the seminal texts that have, for
good or for ill, animated Western
civilization. Each one speaks to
the reality at the core of human
experience, a reality that
transcends time or place. Wed, 14

College - Great Books of the
Western World is a series of
books originally published in the
United States in 1952, by
Encyclopædia Britannica, Inc., to
present the Great Books in a
54-volume set.. The original
editors had three criteria for

including a book in the series: the
book must be relevant to
contemporary matters, and not
only important in its historical
context; it must be rewarding to
