The Somme Robin Prior 2016-01-01 "Despite superior air and artillery power, British soldiers died in catastrophic numbers at the Battle of Somme in 1916. What went wrong, and who was responsible? This book meticulously reconstructs the battle, assigns responsibility to military and political leaders, and changes forever the way we understand this encounter and the history of the Western Front"--Publisher description.

32 Division Headquarters, Branches and Services General Order 2055-07-25 The War Diaries for the Great War, held under WO95, represent one of the most popular record collections held at the National Archives, Kew, London. For researchers and family historians, the War Diaries contain a wealth of information of far greater interest than the army could ever have predicted. They provide unrivalled insight into daily events on the front line, packed with fascinating detail. They contain no modern editing, opinions or poorly judged comments, just the war day by day, written by the men who fought this 'War to end all Wars. They are without question, the most important source of information available on the war on the Western Front. Each volume is a colour facsimile of each page with specially created chronological index. What is a War Diary? The headquarters of each unit and formation of the British Army in the field was ordered to maintain a record of its location, movements and activities. For the most part, these details were recorded on a standard army form headed 'War diary or intelligence summary'. What details are given? Details given vary greatly, depending on the nature of the unit, what it was doing and, to some extent, the style of the man writing it. The entries vary from very simple and repetitive statements like 'Trailed for many pages of description when a unit was in battle. Production of the diary was the responsibility of the Adjutant of the headquarters command. Are there any other information or documents with the diaries? Some diaries have other documentation attached, such as maps, operational orders and action reports.
Somme 1916 Michael Stedman 2006-09-18 Salford was late in recruiting for its Pals battalions, with many of its men already joining Territorial battalions and a new Pals battalion in Manchester. Yet within a year it had raised four Pals battalions and a reserve battalion. Raised mainly from Lancashire's most notorious slums, the men trained together in Wales, North East England and on Salisbury Plain, they had great expectations of success. In July 1916 the Somme offensive was launched and in the very epicenter of that cauldron the first three of Salford's battalions were thrown into the massive defenses of Thiepval - the men were decimated, Salford was shattered. Michael Stedman records the impact of the war from the soldiers' perspective and follows the difficulties and triumphs. Whether the actions small or great the author writes graphically about them all. Unusual photographs and a variety of sources make this both a readable and a scholarly account.
Press in India 1978 Reports for 1958-1970 include catalogues of newspapers published in each state and Union Territory.
ABA Journal 1971-08 The ABA Journal serves the legal profession. Qualified recipients are lawyers and judges, law students, law librarians and law firm associate members of the American Bar Association.
Congressional Record United States. Congress 1896 The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1833) and the Congressional Globe (1833-1873)

New Persian Language and Linguistics Shahram Ahadi 2002 Interest in the Persian language has grown during the last few decades, as a consequence of which numerous studies and analyses of different size have been made. The present bibliography is a selection of essays, articles and monographs on the New Persian Language (including the variants Dari and Tajik and in addition local and regional accents such as Tehrani, Isfahani, and Shirazi Persian) written - up to the year 2001 - in the following languages: Persian, Arabic, English, French, German, Italian. Apart from the usual matter aspects like relevance to Persian, topicality and reliability were decisive, too. The present material has not been listed according to subject usage, but the author has tried to combine the accuracy and conciseness of the entries with userfriendliness. Certain kinds of type (small caps) are intended to make it easier for the reader to find their way through the mass of information and moreover the reader is given further details which possibly offer more information than the title itself. For optimal use of the enclosed bibliography five indexes (Chronological Index, Subject Index, Language Index, Word Index, Person and Title Index) have been provided which offer the reader special information.

Library Journal Melvil Dewey 1966 Includes, beginning Sept. 15, 1954 (and on the 15th of each month, Sept.-May) a special section: School Libraries, ISSN 0000-0035, (called Junior Libraries, 1954-May 1961). Issued also separately.

The Secret Diary of Adrian Mole Aged 13 3/4 Townsend 1992 The Heinemann Plays series offers contemporary drama and classic plays in durable classroom editions. Many have large casts and an equal mix of boy and girl parts. This play is an adaptation of the humorous diary of a young intellectual, suffering the traumas of love, parental divorce and spots.

Somme 1918 Baul Kendall 2016-06-28 What really happened on the first day of the Somme? Much controversy has surrounded the Somme relating to its justification and its impact upon the course of the war. General Sir Douglas Haig's policies have been the subject of considerable debate about whether the heavy losses sustained were worth the small gains that were achieved which appeared to have little strategic value. That was the case on many sectors on 1 July 1916, where British soldiers were unable to cross No Man's Land and failed to reach, or penetrate into, the German trenches. In other sectors, however, breaches were made in the German lines culminating in the capture that day of Leipzig Redoubt, Mamey Wood, and Montauban. This book aims to highlight the failures and successes on that day and for the first time evaluate those factors that caused some to succeed in capturing their objectives whilst others failed. An important new study, this book is certain to answer these questions as well as dispel the many myths and misconceptions surrounding the battle that have been propagated for the last 100 years. Skyhorse Publishing, as well as its imprint, are proud to publish a broad range of books for readers interested in history--books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Gale Directory of Publications and Broadcast Media 1990 Identifies specific print and broadcast sources of news and advertising for trade, business, labor, and professionals. Arrangement is geographic with a thumbnail description of each local market. Indexes are classified (by format and matter) and alphabetical (by name and keyword).

From the Somme to Victory Peter Simkins 2014-10-30 Peter Simkins has established a reputation over the last forty years as one of the most authoritative and stimulating historians of the First World War. He has made a major contribution to the debate about the performance of the British Army on the Western Front. This collection of his most perceptive and challenging essays, which concentrates on British operations in France between 1914 and 1918, shows that this reputation is richly deserved. He focuses on key aspects of the army's performance in battle, from the first day of the Hundred Days, and gives a fascinating insight into the developing theory and practice of the army as it struggled to find a way to break through the German line. His rigorous analysis undermines some of the common assumptions - and the myths - that still cling to the history of these British soldiers in Africa Diary 1965-12
